FLEET:-

The company has a fleet strength of a **12 owned** and more than **600+ associated** or hired trucks and trailers of different capacity and sizes to cater the requirement of the customers. The company also has the facility for the movement of light weight product in the special vehicles.

USP :-

- 1) We have personalized special vehicle types such as 27 Feet - 6 Wheeler , 22 Feet ODC (20 TON) , 32 Feet Trailer (30 TON) 24 Feet Eicher - 10 TON , etc . Giving it to clients for better load ability and profitability. Reducing cost and providing better services with the help of our feet . We are able to control the market also using our feet .
- 2) Hunger to growth never ends. We wish and want to do more work but in our LIMITS, don't want to disturb market, ourselves and clients by eating more than we can chew. We work where we are the BEST and can deliver the best. We work on our strength and present that and deliver that.
- 3) Partnership approach . when ever we get associated with any client , we feel responsible for there and our being . We believe in partnering up and serving the entire requirement of the client and sustaining them for years and maintaining relations.
- 4) WORK ABOVE MONEY – Our approach is not to earn money, it is to sustain relations and get work done and have fame of ours for WORK and not for MONEY .
- 5) We have all the capital , infrastructure , Men Power , Technology , Experience , Young Blood , Idea , Knowledge , Team , SOP , Faith , Believe to capture the market and want to achieve it at our pace
- 6) Profit – every long term business needs business profit to sustain which our balance sheet proves the same. We do sustainable and long term business .

Please find the same in order

Thanking You
